Honorable Wayne Morse, Chairman
Subcommittee on American Republics Affairs
Committee on Foreign Relations
United States Senate
Washington 25, D. C.

Dear Senator Morse:

In your letter of 7 May 1962 you raise certain questions based on a review of the hearings conducted by your Subcommittee on American Republics Affairs in May 1961 dealing with the Cuban landings of the previous month. I have reviewed the notes on the testimony given before the Subcommittee and I believe the fullest possible information on this subject was provided the Subcommittee at that time.

After reviewing these notes and considering all the circumstances, I do not believe further comment by me is appropriate. I regret I cannot be of greater assistance on this matter.

Sincerely,

151

John A. McCoase
Director
